

CAVE Winter Walling Sale and Capping Price Avalanche

Terms and Conditions

1. Winter Wall Sale and Capping Price Avalanche **sale pricing is available 31/7/16 or until stocks run out**
2. No **back orders** will be accepted for Sale items
3. The **Trade Price** is based on current issued price list
4. Winter Wall Sale and Capping Price Avalanche is a **Trade Sale only** and the purchaser must have an ABN and be willing to complete River Sands Customer Form and agree to receive marketing materials from River Sands and associated companies.
5. Pricing subject to the **River Sands General Terms and Conditions** and are **subject to change** without notification
6. All **pricing is ex-works Minchinbury**, Sydney NSW warehouse
7. All **pricing excludes GST**
8. While we are **happy to receive phone calls** regarding stock, pricing and deliveries, **all customer orders must be received by email** before they will be processed
9. We can arrange **freight**, we will email you for acceptance of quote by return email before invoicing and shipping
10. Orders are packed after receipt of payment of invoice. **Orders placed and invoiced by 12 noon** will be ready for pickup/despatch;
 - a) **Loose** including pallet and over - **2 working days**
 - b) **Full pallets** - **1 working day**
11. **Product returns** may be accepted. The goods must be returned to the originating warehouse at their cost. A credit may be issued after inspection to ascertain if the returned product is of merchantable quality. A restocking fee of 20% of the valued of the accepted returned goods will then be applied as a credit on the returnees account. No credit will be issued as cash
12. Stone is a **natural substance**, formed within the earth, and that different types of stone, as well as individual stones within any given type, may vary in texture, colour, thickness, density, durability or fitness for a particular use or purpose. Because natural stone may chip, peel, flake, bleed, oxidize or otherwise deteriorate over time, all of these attributes should be considered when using stone, especially in any exterior application subject to moisture. Buyer acknowledges that Seller has no control over Buyer's selection or use of any stone, and that exposure to weather, installation techniques or preservative measures used by Buyer or its installer all may affect the long-term performance and durability of any stone selected and/or installed by Buyer
13. The **pictures used** in the Winter Wall Sale and Capping Price Avalanche flyer **are indicative only** and you are invited to visit our showroom/warehouse at 36 Sargents Road Minchinbury to view the ranges.
